- **Leadership & Management:** Team Supervision, Project Management, Client Relations, Cross-Functional Coordination, Design Strategy.
- **Technical Proficiency:** 3D Modeling & Rendering, Code Compliance, Shop Drawing Review, Construction Supervision.

PROFESSIONAL EXPERIENCE

MOS (Ahmed AIMousa Engineering Consultants) | AlKhobar, KSA

Senior Architect | Jan. 2025 - Present

- Direct the conceptualization, development, and detailing of innovative architectural design concepts.
- Streamline design process procedures and elevate visual communication standards for client presentations.
- Act as the primary creative liaison with clients, translating their objectives into tailored architectural solutions while elevating overall design quality.

InSite International (KEO's Allied Practice) | Riyadh, KSA

Landscape Architect | Oct. 2024 - Jan. 2025

- Contributed creative vision to a major KSA master project, advancing designs from initial concept through to intricate detailing.
- Coordinated design details seamlessly with sub-contractors and suppliers to ensure design integrity.
- Reported directly to project management and the lead architect, ensuring alignment with the project's aesthetic and functional goals.

United Engineering Architects and Engineers | Manama, Bahrain

Design Lead Architect | Sep. 2019 - Sep. 2024

- Directed and supervised a five-person design team in generating high-quality project documents and creative designs.
- Managed multiple architectural projects concurrently, leading team reviews to ensure timely and high-quality submissions.
- Spearheaded client discussions to deliver creative architectural solutions that exceeded project targets and improved design quality.
- Collaborated closely with engineering disciplines to ensure strict code compliance while maintaining the integrity of initial design concepts across various building types.
- Maintained creative control through construction by reviewing shop drawings and supervising on-site finishes.

Bahrain Tourism and Exhibitions Authority | Manama, Bahrain

Committee Member of Developing Manama Souq Committee | Jan. 2022 - Jan. 2024

- Provided high-level design consultancy and strategic urban intervention concepts for the Manama Souq, Bahrain's primary historical market.
- Directed and oversaw the authority's aesthetic strategies and projects focused on revitalizing the historical market area.

Dar Al-Handasah Consultants (Shair and Partners) | Dubai, UAE

Architect Intern | Jun. 2019 - Aug. 2019
